2014 Scholarship Winners

Bridge Credit Union helps students and parents take a bite out of rising tuition costs. Each year, students can apply for the Joseph W. Gentry Memorial Scholarships. The scholarships can be used for expenses related to post-secondary learning. In addition to colleges and universities, the Joseph W. Gentry Memorial Scholarships may also be used for trade, vocational, or a program leading to certification or licensure.

This year we are excited to announce two winners of the Joseph W. Gentry Memorial Scholarship, Brenna Smathers and Ryan Rebillot.

Congratulations Brenna and Ryan!

Thank you to everyone that applied. Be sure to watch our website for 2015's scholarship information in December 2014.

Student Loans

The cost of a college education is expensive, but worth every penny. We encourage all of our students to maximize scholarships, grants, and federal loans. These are the most economical ways to pay for a higher education (short of mom and dad). However, when those sources aren't enough, we can bridge the gap with our private student loan options.
