Call for Candidates Join your Bridge Credit Union's Board of Directors

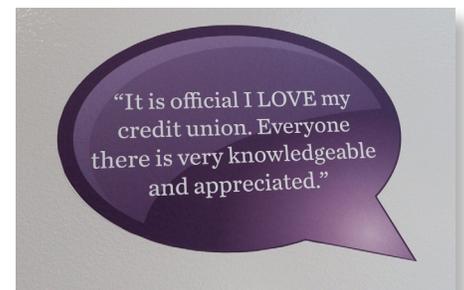

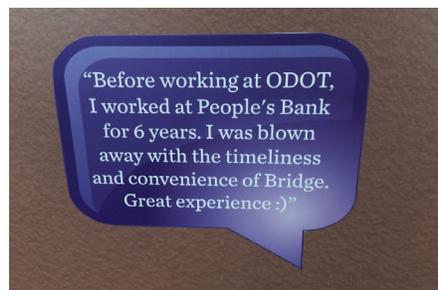

One of the many great benefits of credit union membership is that we don't have stockholders to pay. Instead, a volunteer Board of Directors governs the credit union and they represent the needs of the membership as well as provide vision and direction for the credit union. That means YOU get a voice in your credit union.

Annually, our membership elects three board members. If you are interested in running as a candidate for a director position so that you can contribute to the continued success of your Bridge Credit Union, please contact our office at **800.434.7300**.
