

DEBIT CARD ROUND-UP ENROLLMENT FORM

DEBIT CARD ROUND-UP is a program that rounds your debit card purchases up to the next whole dollar amount. The odd change is then deposited into the savings account of your choice.

This is an optional program but you need to enroll to activate it. You can cancel at any time by notifying us.

I request authorization to make deposits using the Debit Card Round-Up Program

from My Checking Account # _____ to the following account:

Account # _____

(Email is not a secure form of communication. If you are emailing this form, use ONLY the last two numbers on your account)

Name on Account (If other than your own): _____

These accounts are held with and maintained by Bridge Credit Union. I understand that once I authorize the Round-Up Deposit from my account into the requested account number, I cannot revoke that deposit. I understand that no deposit will be made unless I use my checking debit card as a signature debit (select "credit" when paying for transactions). I may cancel this authorization at any time by submitting written notice to the Bridge Credit Union.
