

INTRODUCING

# MobiMoney

## What is MobiMoney?

MobiMoney is a mobile app that offers cardholders a convenient way to manage their debit cards.

## What can I do?

MobiMoney enables cardholders to:

- Easily activate and deactivate their cards
- Receive instant alerts on their mobile devices
- Limit usage based on location, merchant preferences, transaction type, and threshold amounts.

## So what's the value?

These innovative features help reduce fraudulent transactions while allowing you to be in complete control of the safety of your finances.
