

INTRODUCING

MobiMoney

What is MobiMoney?

MobiMoney is a mobile app that offers cardholders a convenient way to manage their debit cards.

What can I do?

MobiMoney enables cardholders to:

- Easily activate and deactivate their cards
- Receive instant alerts on their mobile devices
- Limit usage based on location, merchant preferences, transaction type, and threshold amounts.

So what's the value?

These innovative features help reduce fraudulent transactions while allowing you to be in complete control of the safety of your finances.
