\*APR=Annual Percentage Rate. \*\*The 1.90% APR Introductory rate is valid for one year from the time of the balance transfer made within the promotional period. Valid on new money balance transfers only. Not valid on balance transfer funds from existing Bridge credit card(s) or loans. Not valid on purchases or cash advances. When the promotional period ends, balances will revert to the prevailing APR based on your creditworthiness and credit card type (Visa Platinum Rewards Card or Visa Platinum Cashback Rewards Card). Prime Rate is used to determine APR. Minimum Credit Score required, not all applicants will qualify. Refer to original Credit Card terms and conditions for the rate that will be in affect at end of the intro period. Eligibility and offered rate may vary based on creditworthiness. Offer expires 03.31.19. Offer subject to change at any time. Bridge membership required. Rates valid as 01/01/2019.

## BRIDGE MEMBERSHIP VALUE

**Do you know the value of your Bridge Membership? Or how that value compares to other financial institutions?**

The Credit Union National Association (CUNA) has granted Bridge Credit Union a **Certificate of Excellence**.

*What does this mean to you, "Our Member"?* Financing a \$30,000 new auto loan with Bridge **saves a member on average \$253 a year** in interest compared to what they would pay at another financial institution in the State of Ohio. That's **\$1,200+ in savings over 5 years**. Get the full value of your Bridge Membership with our low rate loans and high dividend earning savings.

# Certificate of Excellence

*is hereby granted to:*

## Bridge Credit Union Inc

*The Credit Union National Association has determined that Bridge Credit Union Inc provided \$665,635 in direct financial benefits to its 11,747 members during the twelve months ending in June 2018. These benefits are equivalent to approximately \$119 per member household.*

*Bridge Credit Union Inc provided loyal high-use member households \$811 in direct financial benefits.*

*Credit unions generally provide financial benefits to members by charging less for loans, paying more on deposits and charging fewer/lower fees compared to banking institutions.*
